The tuition fees, less the non-refundable administration deposit, will only be refunded in the event of a visa refusal, against documentary proof of refusal. No refund will be given if the reason for visa refusal is based on the grounds of deception or non-genuine documents, or if the reason for refusal is within the students' own control. Please note that any agreed refund will only be repaid to the person who paid the fees, and not to a third party. In no other circumstances can the deposit be refunded.

- There is a £100 non-refundable deposit at the beginning of the applicant stage.
- Balance to be paid in full prior to the start of the course.
- **Sponsored students** - the balance needs paid prior to the CAS being issued.

10 Criminal Convictions

In order to help Dumfries and Galloway College meet its duty of care to its staff, students and others, we must know about any relevant criminal convictions that you have.

Relevant criminal convictions are only those convictions for offences against the person, of a violent or sexual nature, and convictions for offences involving unlawfully supplying controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking. Convictions that are spent (as defined by the Rehabilitation of offenders Act 1974) are not considered to be relevant and need not be revealed. For the avoidance of doubt any custodial sentence of over thirty months must be declared.

If you have a relevant criminal conviction that is not spent, you must enter X in the Yes box below. If you don't have any unspent criminal convictions, please leave the box blank.

If you enter an X in the box below, you will be automatically excluded from the applications process. However, the college may wish to consider the application further or ask for more information before making a decision. You should be aware that for courses in teaching, health care, social care, sports and leisure or courses involving work with children, young people or vulnerable adults, any criminal conviction, including sentences and cautions (including verbal cautions), reprimands, final warnings and bind-over orders are exempt from the Rehabilitation of Offenders Act 1974. If you are applying for these courses, the college will ask you to agree to have a criminal record check. You may also need an 'enhanced disclosure certificate' from the Scottish Criminal Records Disclosure Service. This means that if the criminal record check identifies that you have been charged or had a conviction, this information will be made available to the college. If you are convicted of a relevant criminal offence after you have applied, you must tell the college. The college may then ask for more details.

DECLARATION: Do you have a relevant criminal conviction? YES
